

Danielle Denne, CSP, MPH:

Danielle Denne has been in the safety and health profession for 16.5 years. She received her Bachelor's degree in Occupational Safety and Environmental Health from Brigham Young University and her Masters of Public Health degree (Industrial Hygiene emphasis) from the University of Utah. She is a Safety and Health Specialist with WCF and works with clients including construction trades, health care, local government and industrial settings. Danielle also teaches many of WCF's safety seminars and performs industrial hygiene work for customers. She loves the profession and is happy to help people stay safe on and off the job.
